Susan:

I'm currently finalizing the list funding requests received from the Regions. Are you looking for me to include the Site you mentioned below ? If so, I'll need additional information as Kevin mentioned below.

Thanks,

Hi Susan,

I assume this is in response to Tito's 6/30 request for Regions to submit requests for end of year money? I'm not sure how much money is available, but we'll add this one to the list. I think Tito would like to get a bit more detail on the site to help in deciding among competing Regional requests. Do you have any more detail on the site conditions, threats, NPL status, EJ, etc?

Subject Funding Request for a Vapor Intrusion site in Region
6

Delfasco, a RCRA vapor intrusion site in Region 6 is being referred to superfund. Multiple residences are impacted. RCRA has issued the company a UAO and Delfasco has stated they have no funds to comply with the order. Enforcement is ongoing.....

We need \$200,000 to begin site remediation. An additional 100 homes need to be sampled. Any funds available at HQs? Potential funds becoming available in September? Let me know...Thanks. susan
